CITY ORDINANCE ABOUT FILMING IN THE MUNICIPAL DISTRICT OF TABERNAS:

We have to take care of environment, so that landscape, fauna and flora do not suffer any modification or pollution, leaving the place in perfect natural condition of cleaning. In case of filming in areas of the Tabernas Desert Natural Park, as well as in watercourses or public paths, it is necessary to get permission from the Territorial Delegation of Environment (Junta de Andalucía). Tel. (+34) 950 101 671 - José Manuel Martos, (+34) 600 144 525.

To film on national roads, you must contact the department of Public Works in Almeria, tel. (+34) 950 23 14 55. To film in the air, you must get permission from AESA (Spanish Aviation Safety and Security Agency), tel. (+34) 913 96 80 00. Likewise, when it comes to regional roads, we need to ask for permission to the owner.

To use firearms or explosives, you must contact the Guardia Civil of Tabernas, tel. (+34) 950 36 29 01, or the Guardia Civil of Almería, tel. (+34) 950 25 69 23. Anyway, you will need to specify the types of explosive or firearms you are going to use, as well as possible collateral damage. This section won't be used without prior consent from the Government concerned.

Likewise, if filming takes place in a private area, it will be necessary to ask the owner for permission.

Any filming taking place in the municipal district of Tabernas, both in public or private lands, will require to ask for permission from the City Council of Tabernas. A filming without a municipal authorization could end in a fine.

Thank you for choosing Tabernas and its desert.
